RE: Docket No. 2013-168-WS Petition of the Office of Regulatory Staff to Request An Order Requiring Tega Cay Water Service, Inc. to Provide Adequate and Proper Service.

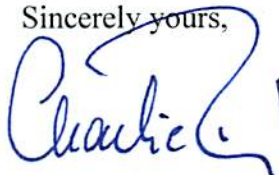

Dear Ms. Boyd:

I am writing on behalf of Tega Cay Water Service, Inc. ("TCWS" or "the Company") in regard to three Sanitary Sewer Overflows (SSOs) which occurred in Tega Cay on December 29, 2013. In my letter of December 30, 2013, TCWS advised the Commission that "No Swimming" signs had been posted around Lake Wylie and that notices and media advisories had been issued to that effect as well. On January 2, 2014, based on a series of lake water sample results, DHEC advised TCWS it could rescind the No Swimming advisory. In accordance with this notification, the Company has taken down the No Swimming signs and advised its customers and the community that the No Swimming advisory has been lifted.

TCWS will continue to keep the Commission and the ORS informed of its efforts to prevent the recurrence of SSOs in Tega Cay.

With best wishes, I am,

Sincerely yours,

Charles L.A. Terreni
